FEDERAL PUBLICATIONS SEMINARS

*Federal Publications Seminars Presents a **First-of-Its-Kind** Program for Government Contractors and Legal Professionals*

CYBERSECURITY IN GOVERNMENT CONTRACTS INSTITUTE

Earn Your Cybersecurity in Government Contracts Certificate in One Week

Cybersecurity in Government Contracts Certificate Program

Join FPS for a newly redesigned Cybersecurity in Government Contracts Institute. Courses offered during the redesigned Cybersecurity Institute will equip you with an understanding of the complicated and sometimes contradictory laws and regulations.

Participants who attend all five course days will be awarded a Cybersecurity in Government Contracting Certificate.

Cybersecurity in Government Contracts Institute
