

# CYBERSECURITY SUMMIT FOR GOVERNMENT CONTRACTORS

## Hot Topics, Trends, and Emerging Issues

October 9, 2018  
Tysons Corner Marriott, Tysons Corner, VA

### Join FPS and NeoSystems for the 3rd Annual Cybersecurity Summit

The 3rd Annual Cybersecurity Summit for Government Contractors is a 1-day, high level broad sweep of how cybersecurity impacts the latest regulatory requirements, business risks, and technology challenges in today's government and commercial landscape.

#### Who Should Attend

Board members, executives, compliance officers, contracting professionals, legal professionals (corporate counsel and general practitioners), IT professionals, CEOs/presidents/directors from prime government contractors and subcontractors, federal agencies, and non-profits.

#### What Topics Will Be Covered?

This program will focus on cyber security challenges, issues and solutions with timely updates on new rules and regulations as well as proposed current legislation. Topics include

- Blockchain - Demystified
- Bloomberg Government on Government Spending in Cybersecurity
- General Data Protection Regulation (GDPR) -Not Just for the EU
- Cloud Security and Virtualization
- Technology Trends and Closing the Loop: Policy and End Point Security
- Workforce Readiness -Hiring Talent to Fill the Shortage of Qualified Tech Workers

If you are in a leadership position and the threat of a cyber event keeps you up at night, you should not miss this event.

#### Network with Your Peers!

Breakfast, lunch and breaks will be provided, giving attendees an opportunity to converse with their peers and also with subject matter experts.

#### Price

Cost to attend is only \$395. Special group pricing is available by calling **888.494.3696**.

#### FEATURED SPEAKERS

Larry Clinton, President, Internet Security Alliance (ISA)  
(Invited) Justin Constantine, Former Marine Corp Officer and Combat Veteran

Co-Chaired by Federal Publications Seminars and NeoSystems
